Gundam Tactics Mobility Fleet (GT-0079) is a turn-based strategy video game released in 2003 for the Dreamcast.Q: Executing.sql file with MySQL - INSERT statement fails I have written a PHP script that generates a.sql file with MySQL insert statements. Each row in the.sql file consists of a column and a value. Example: INSERT INTO mytable (col1, col2, col3) VALUES('1', 'value1', 'value2'); When executing the.sql file with mysql it runs fine, however if I try to execute a statement directly in the command line it fails. If the same.sql file is included in a PHP script it works fine. Example: SELECT * FROM mytable; A: You should do: mysql --defaults-file=./db_config_mysql.ini -e "source \$path_to_mysql_script" for a long time. This year, she won the \$1,000,000 Razzie Award for Worst Supporting Actress in the Television movie, Leap Year. Worst Movie Actress 21.Kristy Swanson – Leap Year Kristy Swanson is the ultimate modern day bimbo. She never knew she was attractive or sexy until she saw a picture of her co-star, Shia LaBeouf on the Internet. She jumped at the chance to do a role where she can act stupid and display her gams. She is in two of the worst movies of 2012: Leap Year and The Twilight Saga: Breaking Dawn: Part 1. 20.Cheyenne Jackson – Leap Year Cheyenne Jackson played a quirky book publisher in Leap Year. He looked bored with his role, a persona he portrayed perfectly on Saturday Night Live. 19.Rita Wilson – Leap Year Rita Wilson plays the mother in Leap Year. She never did any acting until she saw her name in the credits. She has no charisma and all she wants to do is spend her time with her husband, but her mother-in-law. She has a one-way marriage to her husband in which he is the authority and she is his dutiful wife. The audience can see she has no talent, but her husband believes she is wonderful. 18.Demi Moore – Tower Heist Demi Moore plays the daughter
