DVD U41 Ver 17-01-12 India. February 13, 2013 The Most Important Thing Is To Make It Happen *Disclaimer: I'm aware that
this is a bit of a cliché, but in all honesty I don't feel like there are any great clichés about the only thing that matters. Though all
clichés about importance are also true, and the most important thing is to make it happen, because this is a truism. Most people I
know believe in change, but I'm not one of them. I have always found change to be rather boring, and I would rather choose the
thing that is constant, the thing that I can count on. I wish I were a food blogger because I love food and talking about it, and I
wish I had time to do it. I wish I were a writer, 2d92ce491b
