Ubuntu 12.04 NVIDIA Card Intel Desktop Board RAM: 4 GB Hard Drive Space: 10 GB I was facing problems with my installation of Ubuntu and after resolving the issue with LightDM and Unity, I wanted to share it so other users have a good experience with it. This guide will help you resolve some of the common issues you might face when installing and using Ubuntu 12.10. By using this guide you will be able to resolve these issues using standard apt-get commands, rather than using Unity Twe
